PROFESSIONAL PROFILE

Information Technology undergraduate at Haramaya University (2023–2027 expected) with a multidisciplinary focus on computer networking, systems administration, web development, and graphic design. Developing practical experience with Cisco Packet Tracer and network configuration while building modern web applications using HTML, CSS, JavaScript, React, and Node.js. Combines technical problem-solving with visual communication and a strong willingness to learn and grow.

EDUCATION

Bachelor of Science in Information Technology — Haramaya University, Ethiopia

2023 – 2027 (Expected) • Focus: Networking, Systems Administration, Web Development and Graphic Design

PRACTICAL EXPERIENCE & PROFESSIONAL FOCUS

Networking & Systems

LAN configuration, network devices, cabling, VLANs, IP addressing, DHCP, and basic network troubleshooting using Cisco Packet Tracer.

Web Development

Responsive web interfaces and applications using HTML, CSS, JavaScript, React, and Node.js, with emphasis on clean structure and user experience.

Graphic Design

Digital design and visual communication for branding, digital artwork, interfaces, and user-focused media.

Software Development Internship

Practical software-development work at Haramaya University, including an interest-based department selection and career guidance system for CCI students.

TECHNICAL SKILLS

Networking: Network fundamentals, LAN, VLAN, IP addressing, DHCP, troubleshooting

Cisco: Cisco Packet Tracer, switch configuration, basic network device configuration

Web: HTML, CSS, JavaScript, React, Node.js

Development: Front-end & basic back-end development, responsive web design

Design: Graphic design, digital artwork, visual communication

Tools: Git, GitHub, VS Code, Microsoft Office

SELECTED PROJECTS

Haramaya Land Management — Live Web Application

Web-based project demonstrating practical web development and user-focused interface design.

Interest-Based Department Selection & Career Guidance System

Software-development internship project helping CCI students explore departments according to interests, willingness to learn, study areas, technologies, skills, career opportunities, and department comparisons.

LANGUAGES

Afaan Oromo	Native / Fluent
Amharic	Advanced
English	Working proficiency

CERTIFICATIONS & ACHIEVEMENTS

Portfolio records 11 certificates/achievements. Exact certificate titles and issuing organizations were not included in the supplied portfolio text, so they are intentionally not guessed.

ADDITIONAL INFORMATION

Date of Birth: 14 June 2002 • Expected Graduation: 2027 • Freelance: Available
